What is Reiki?

Reiki is a Japanese energy healing technique that has been used for centuries to promote relaxation, reduce stress, and improve overall well-being. Reiki practitioners use their hands to channel the energy of the universe into the recipient, which can help to heal physical, emotional, and spiritual ailments.

How Can Reiki Help You Attract Anything You Desire?

Reiki can help you attract anything you desire by raising your vibration and aligning you with the energy of the universe. When your vibration is high, you are more likely to attract positive experiences and outcomes into your life. Reiki can also help to clear away any blockages that may be preventing you from manifesting your dreams.

How to Use Reiki to Attract What You Want

There are many ways to use Reiki to attract what you want. One simple method is to simply hold your hands over your heart and visualize the thing you desire. As you visualize, focus on the feeling of already having what you want. Feel the joy, the gratitude, and the love that comes with it.

You can also use Reiki to charge objects with positive energy. This can be done by holding the object in your hands and visualizing it filled with light. As you visualize, focus on the intention of the object. For example, if you are charging a crystal, you could focus on the intention of the crystal to bring you healing and peace.
