## Abstract

This book examines the potential consequences of Brexit for the control of tobacco illicit trade in the United Kingdom. It provides a comprehensive analysis of the existing legal and regulatory framework, and assesses the potential impact of Brexit on this framework. The book also provides recommendations for how to mitigate the risks of increased tobacco illicit trade in a post-Brexit environment.

Dr. David O'Sullivan is a Senior Lecturer in Law at the University of Sussex. His research interests include tobacco control, illicit trade, and the law of the European Union. He has published widely in these areas, and his work

has been cited by the European Commission, the World Health Organization, and the UK government.

---

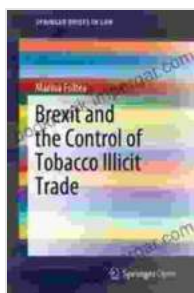

## Reviews

"This book is a timely and important contribution to the debate on the future of tobacco control in the United Kingdom. Dr. O'Sullivan provides a comprehensive analysis of the existing legal and regulatory framework, and assesses the potential impact of Brexit on this framework. He also provides valuable recommendations for how to mitigate the risks of increased tobacco illicit trade in a post-Brexit environment."

### - Professor Gerry Connolly, University of Edinburgh

"This book is a must-read for anyone interested in the future of tobacco control in the United Kingdom. Dr. O'Sullivan's analysis is clear, concise, and well-informed. He provides a valuable roadmap for how to navigate the challenges and opportunities that Brexit will present."

### - Dr. Sarah O'Brien, University of Bath
