If you're a fan of the hit medical drama House, then you'll love Do You Remember House? This book is a comprehensive look at the show's history, from its inception to its final episode. You'll learn about the show's creators, writers, and cast, as well as the behind-the-scenes stories that made House one of the most popular shows on television.

Do You Remember House? is written by James Hibberd, a veteran television journalist who has covered House for years. Hibberd has interviewed the show's cast and crew, and he has access to a wealth of behind-the-scenes information that he shares in this book. The result is a fascinating and informative read that will give you a new appreciation for one of the most beloved shows in television history.

What You'll Learn in Do You Remember House?

- The story behind the show's creation, from its early development to its eventual premiere on Fox.
- Profiles of the show's main characters, including Hugh Laurie's Dr. Gregory House, Lisa Edelstein's Dr. Lisa Cuddy, and Jesse Spencer's Dr. Robert Chase.
- Behind-the-scenes stories from the show's set, including anecdotes from the cast and crew.
- An analysis of the show's critical and commercial success, including its impact on American culture.

Why You Should Read Do You Remember House?

- If you're a fan of House, then you'll love Do You Remember House? This book is a must-read for anyone who wants to learn more about the show's history, characters, and behind-the-scenes stories.
- Even if you're not a fan of House, you'll still find Do You Remember House? to be an interesting and informative read. The book provides a fascinating look at the world of television and the people who make it.
- Do You Remember House? is a beautifully written and illustrated book. It's a must-have for any fan of House or television in general.
