John was a successful businessman with a loving wife and two beautiful children. But his world came crashing down when his wife was killed in a car accident. John was devastated. He couldn't believe that his beloved wife was gone. He stopped talking and withdrew from the world.

For 10 long years, John lived in silence. He didn't speak to his children. He didn't speak to his friends. He didn't even speak to himself.

But even though John was silent, he was still alive inside. He still loved his children. He still missed his wife.

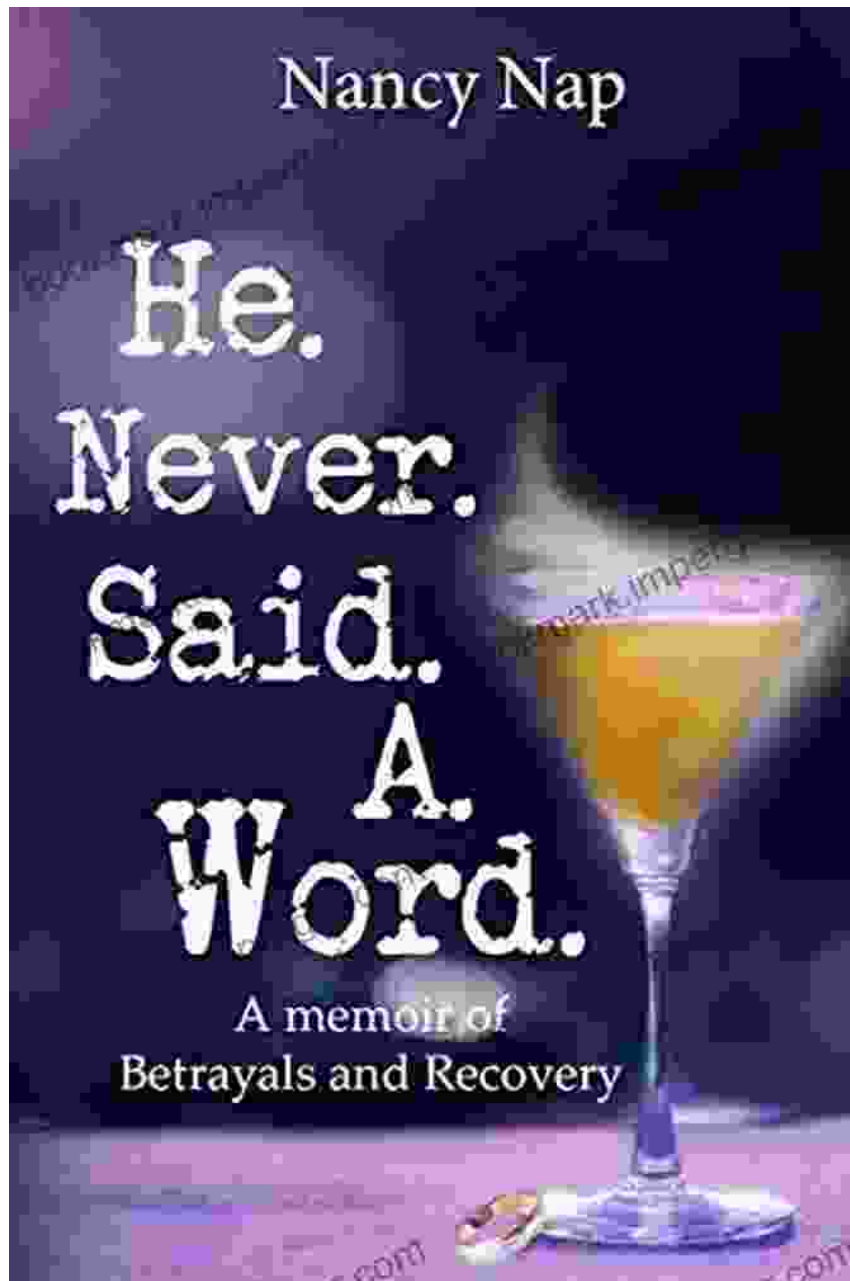

One day, John's daughter came to him and said, "Daddy, I know you're hurting. But I need you to know that I love you. And I'm here for you."

John looked at his daughter and tears welled up in his eyes. He finally spoke for the first time in 10 years.

"I love you too," he said.

*He Never Said Word* is a moving and unforgettable story about the power of love, loss, and resilience. It is a story that will stay with you long after you finish reading it.
