"Blake's 7" is a British science fiction television series that aired from 1978 to 1981. Set in a distant future, the show follows the adventures of a group of rebels who are fighting against a tyrannical interstellar Federation. The series was a critical and commercial success, and has since become a cult classic.

## History

"Blake's 7" was created by Terry Nation, who is best known for creating the Daleks for the "Doctor Who" series. Nation was inspired to create "Blake's 7" after reading about the American Revolution. He wanted to create a show about a group of rebels who were fighting for freedom against a oppressive government.

The show was originally pitched to the BBC, but they rejected it. Nation then took the show to ITV, who agreed to produce it. The first episode of "Blake's 7" aired on ITV on January 2, 1978.

The show was an immediate success with audiences. It was praised for its well-written characters, exciting action sequences, and thought-provoking themes. "Blake's 7" quickly became one of the most popular shows on British television.

The show ran for four seasons, a total of 52 episodes. It was canceled in 1981 due to declining ratings. However, the show has continued to be popular in syndication, and has been released on DVD and Blu-ray.
