The book is divided into three parts. The first part provides a historical overview of Iran's nuclear program, from its inception in the 1950s to the present day. The second part examines Iran's duplicitous diplomacy, which has been characterized by a pattern of deception and broken promises. The third part analyzes Iran's callous policies, which have resulted in the deaths of countless innocent people.

The book is based on extensive research, including interviews with former Iranian officials, diplomats, and human rights activists. The author provides a wealth of evidence to support his claims, including declassified government documents, intelligence reports, and eyewitness accounts.

The book is a must-read for anyone who wants to understand the true nature of the Iranian regime. It is a powerful indictment of a regime that has caused untold suffering and death.
