

Photo of the Curve: A Haunting and Nostalgic Look at America's Highway System

In Photo of the Curve, photographer Chris Jordan captures the beauty and nostalgia of America's highway system. This stunning collection of photographs documents the vast network of roads and bridges that connect our country, from the iconic Route 66 to the remote back roads of the American West.

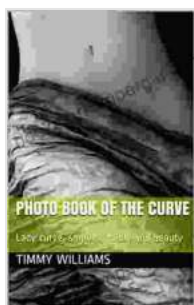

Photo Book of The Curve: Lady curve, smooth, lovely and beauty.

Jordan's photographs are both haunting and nostalgic. They capture the sense of isolation and freedom that comes with driving on the open road, as well as the sense of history that is embedded in our nation's infrastructure. His images are a reminder of the important role that highways have played in shaping American culture and society.

Photo of the Curve is a must-have for anyone who loves photography, road trips, or American history. It is a beautiful and evocative book that will transport you to another time and place.

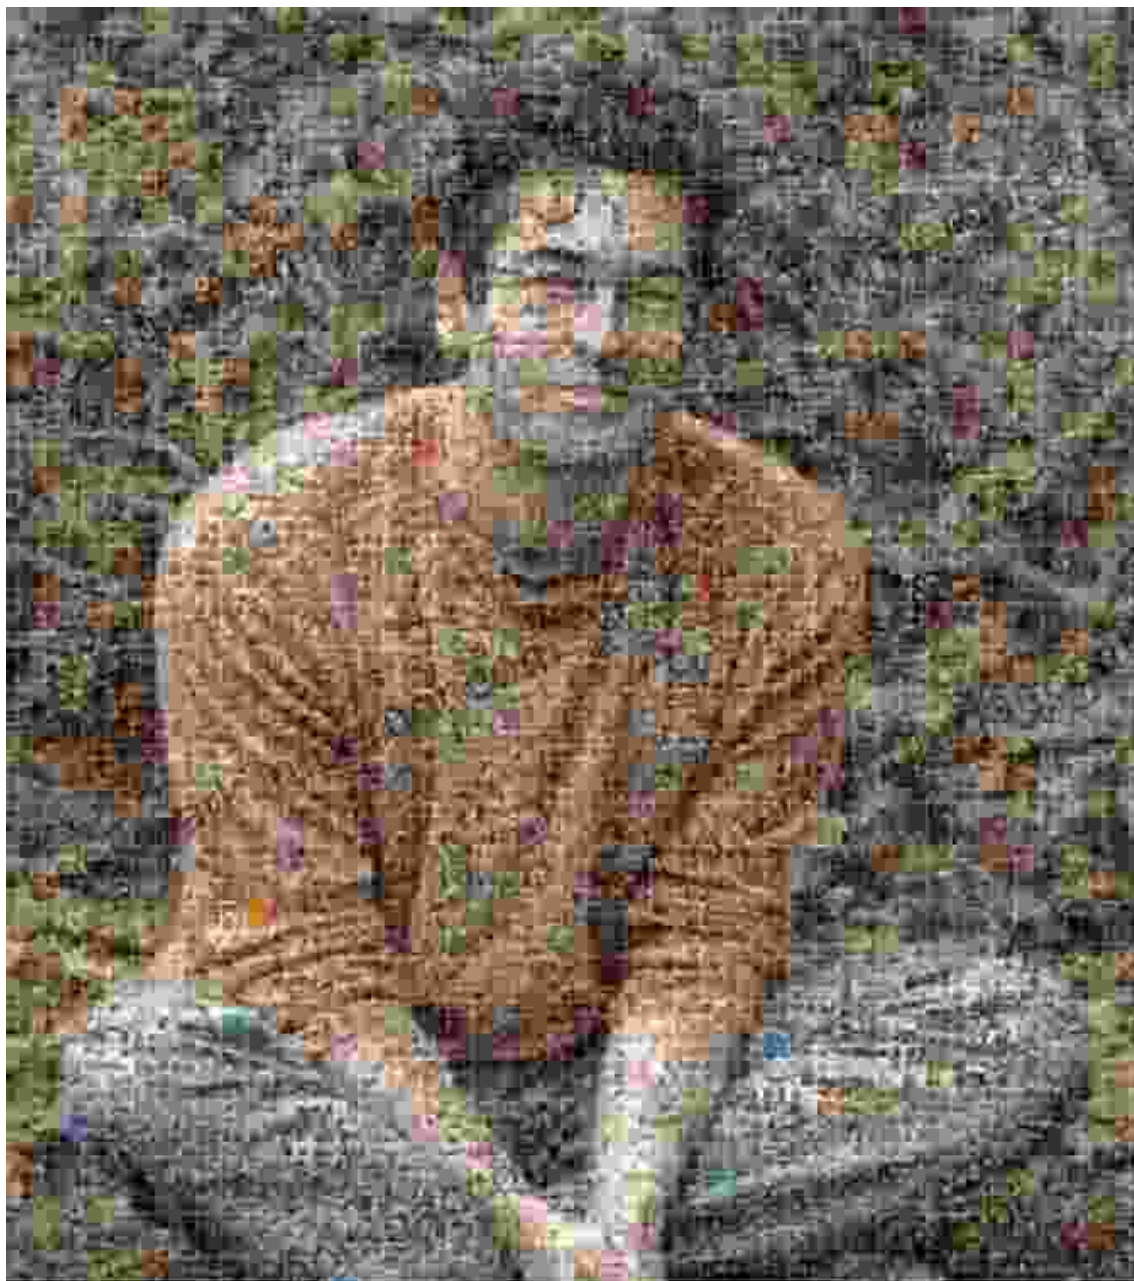

Reviews

"Photo of the Curve is a stunning collection of photographs that captures the beauty and nostalgia of America's highway system. Jordan's photographs are both haunting and nostalgic, capturing the sense of isolation and freedom that comes with driving on the open road, as well as the sense of history that is embedded in our nation's infrastructure.
