

Short Black: The War of the Worlds - A Riveting Space Adventure

Short Black: The War of the Worlds is a gripping science fiction novel that follows the harrowing journey of a group of astronauts sent on a mission to investigate a mysterious signal from outer space. Little do they know that they are about to become embroiled in an epic battle for the survival of humanity.

When the astronauts arrive at their destination, they discover a desolate alien world ravaged by war. As they explore the planet, they encounter remnants of an advanced civilization that has been wiped out by an unknown enemy.

As the astronauts delve deeper into the mystery, they uncover evidence of a sinister plot that threatens to destroy not only their own world but also the entire galaxy. With time running out, they must race against the clock to stop the alien invaders and save humanity from extinction.
