

# The Making of African America: A Journey Through the American Past

A comprehensive and thought-provoking exploration of the history of African Americans in the United States, from their roots in Africa to their present-day experiences.

The Making of African America is a sweeping and ambitious work that offers a comprehensive overview of the history of African Americans in the United States. Authored by highly respected historian and author, this book draws on the latest scholarship to provide a fresh and nuanced account of this complex and often challenging topic.

The book begins by exploring the roots of African Americans in Africa, tracing their history from the earliest civilizations to the transatlantic slave trade. It then follows the African American experience in the United States, from the horrors of slavery to the struggles for freedom and equality.
