About the Book

Trouillot Remixed: The Michel-Rolph Trouillot Reader is a groundbreaking collection of essays that re-examines the work of one of the most important historians of the Haitian Revolution.

Michel-Rolph Trouillot (1949-2012) was a Haitian-American historian who made significant contributions to our understanding of the Haitian Revolution and its impact on the world. His work challenged traditional narratives of the revolution and shed new light on the role of race, class, and power in shaping Haitian history.
