

Very Short Introductions: The Perfect Introduction to Complex Topics

The Very Short s series from Oxford University Press is a collection of concise and accessible books that provide an overview of a wide range of academic disciplines. Written by leading experts in their fields, these books are perfect for students, general readers, and anyone who wants to learn more about a particular subject.

What is a Very Short ?

Very Short s are typically around 100 pages long and are written in a clear and engaging style. They are designed to be accessible to readers with no prior knowledge of the subject matter. Each book in the series provides an overview of a particular topic, including its history, key concepts, and current debates. The books are also illustrated with helpful diagrams and images.
